

**Medicare Capped Rental and Inexpensive or Routinely  
Purchased Items Notification for  
Services on or after January 1, 2006**

I received instructions and understand that Medicare defines the Nebulizer that I received as being either a capped rental or an inexpensive or routinely purchased item.

X FOR CAPPED RENTAL ITEMS:

- Medicare will pay a monthly rental fee for a period not to exceed 13 months, after which ownership of the equipment is transferred to the Medicare beneficiary.
- After ownership of the equipment is transferred to the Medicare beneficiary, it is the beneficiary's responsibility to arrange for any required equipment service or repair.
- Examples of this type of equipment include:  
Hospital beds, wheelchairs, alternating pressure pads, air-fluidized beds, nebulizers, suction pumps, continuous airway pressure (CPAP) devices, patient lifts, and trapeze bars.

       FOR INEXPENSIVE OR ROUTINELY PURCHASED ITEMS:

- Equipment in this category can be purchased or rented; however, the total amount paid for monthly rentals cannot exceed the fee schedule purchase amount.
- Examples of this type of equipment include:  
Canes, walkers, crutches, commode chairs, low pressure and positioning equalization pads, home blood glucose monitors, seat lift mechanisms, pneumatic compressors (lymphedema pumps), bed side rails, and traction equipment.
